

# ATS Women in Tunnelling Achievement Award Nominations Open

Proudly initiated by the ATS Diversity in Tunnelling group and generously sponsored by Bouygues Construction, we are pleased to announce that nominations are now open for the Women in Tunnelling Achievement Award.

The award is designed to draw attention to the women who are making a difference in the tunnelling industry. By recognising their leadership and achievements, we aim to promote career advancement and inspire others to support and recognise women who are contributing to our field.

You may self-nominate, nominate a colleague or nominate any other woman who has made a positive contribution to the tunnelling industry or associated fields. Nominations close Friday 30 June 2023.

The award and \$5,000 cash prize will be presented to the winner at the Australasian Tunnelling Conference in Auckland in November.
